FINA ESTAMPA

Una veredita alegre
con luz de luna o de sol
tendida como una cinta
con sus lados de arrebol
arrebol de los geranios
y sonrisas con rubor
arrebol de los claveles
y las mejillas en flor
Perfumada de magnolia
rociada de mañanita
la veredita sonríe
cuando tu piel acaricia
Y la cuculi se ríe
y la ventana se agita
cuando por esa vereda
tu fina estampa paseas
Fina estampa, caballero
caballero de fina estampa
un lucero que sonriera
bajo un sombrero
no sonriera más hermoso
ni más luciera, caballero
y en tu andaranda reluce
la acerada andaranda
Te lleva por los agujeros
y a los patios encantado
te lleva por las plazuelas
y a los amores soñados
Veredita que se arrulla
con tafetanes bordados
tacón de chafín de seda
y justos almidonados
Es un caminito alegre
con luz de luna o de sol
que he de recorrer cantando
por si te puedo alcanzar
fina estampa caballero
quien te pudiera guardar
Fina estampa...

PALABRAS DE AMOR

Ella me quiso tanto...
yo aún sigo enamorado.
Juntos atravesamos
nostalgias del pasado.
Ella, cómo os diría...
era mi luz y mi razón,
cuando en la lumbre ardían
sólo palabras de amor...

Palabras de amor sencillas y
tiernas.
que echamos al vuelo por primera
vez,
apenas tuvimos tiempo de
aprenderlas
recién despertábamos de la niñez.
Nos bastaban esas tres frases
hechas
que entonaba aquel trasnochado
galán
de historias de amor, sueños de
poetas,
a los quince años no se saben
más.
Ella, dónde estará,
tal vez aún me recuerda.
Un día se marchó
y jamás volví a verla.
Pero, cuando oscurece,
lejos, se escucha una canción,
vieja música que acuna,
viejas palabras de amor...

QUE SERÁ SERÁ

When I was just a little girl
I asked my mother, what will I be
Will I be pretty, will I be rich
Here's what she said to me
Que Sera, Sera,
Whatever will be, will be
The future's not ours, to see
Que Sera, Sera
What will be, will be
When I was young, I fell in love
I asked my sweetheart what lies
ahead
Will we have rainbows, day after
day
Here's what my sweetheart said
Que Sera, Sera,
Whatever will be, will be
The future's not ours, to see
Que Sera, Sera
What will be, will be
Now I have children of my own
They ask their mother, what will I
be
Will I be handsome, will I be rich
I tell them tenderly

LOS DIAS DEL ARCOIRIS

Eran los días
 de un lindo arco iris
 se iba el invierno
 volvía el sereno
 brillaban tus ojos
 de luna y de estrellas
 mientras una mano rosaba tu piel.
 Te volvía loca el olor de las flores
 la noche brillaba en sus mil colores
 tendida en la hierba como una que sueña
 primero eras niña, ahora ya otra.
 Tú, ahora que eres
 más grande ya tú
 eres mucho más
 fuerte y segura
 ha iniciado la aventura
 y aún es muy niña
 tu amiga de ayer
 que se reúne en grupo a jugar
 y sueña también
 un rayo de luna.
 Vives la vida de chica importante
 por que a quince años fuiste una amante
 un día sabrás que cada mujer es madura
 en la época justa y justa medida
 y en esta carrera buscando el amor
 dejaste a tu espalda el tiempo mejor.

TURN! TURN! TURN! (TO EVERYTHING THERE IS A SEASON)

To everything - turn, turn, turn
 There is a season - turn, turn, turn
 And a time for every purpose under heaven
 A time to be born, a time to die
 A time to plant, a time to reap
 A time to kill, a time to heal
 A time to laugh, a time to weep
 To everything - turn, turn, turn
 There is a season - turn, turn, turn
 And a time for every purpose under heaven
 A time to build up, a time to break down
 A time to dance, a time to mourn
 A time to cast away stones
 A time to gather stones together
 To everything - turn, turn, turn
 There is a season - turn, turn, turn
 And a time for every purpose under heaven

A time of war, a time of peace
 A time of love, a time of hate
 A time you may embrace
 A time to refrain from embracing
 To everything - turn, turn, turn
 There is a season - turn, turn, turn
 And a time for every purpose under heaven
 A time to gain, a time to lose
 A time to rend, a time to sew
 A time to love, a time to hate
 A time of peace, I swear it's not too late!

LEAVING ON A JET PLANE

All my bags are packed I'm ready to go
 I'm standin' here outside your door
 I hate to wake you up to say goodbye
 But the dawn is breakin' it's early morn
 The taxi's waitin' he's blowin' his horn
 Already I'm so lonesome I could die
 So kiss me and smile for me
 Tell me that you'll wait for me
 Hold me like you'll never let me go
 Cause I'm leavin' on a jet plane
 Don't know when I'll be back again
 Oh baby, I hate to go
 There's so many times I've let you down
 So many times I've played around
 I tell you now, they don't mean a thing
 Every place I go, I'll think of you
 Every song I sing, I'll sing for you
 When I come back, I'll bring your wedding ring
 So kiss me and smile for me
 Tell me that you'll wait for me
 Hold me like you'll never let me go
 Cause I'm leavin' on a jet plane
 Don't know when I'll be back again
 Oh babe, I hate to go
 Guitar Solo
 Now the time has come to leave you
 One more time let me kiss you
 Close your eyes I'll be on my way
 Dream about the days to come
 When I won't have to leave alone
 About the times, I won't have to say
 So kiss me and smile for me
 Tell me that you'll wait for me
 Hold me like you'll never let me go
 Cause I'm leavin' on a jet plane
 Don't know when I'll be back again
 Oh baby, I hate to go
 Cause I'm leavin' on a jet plane
 Don't know when I'll be back again
 Oh baby, I hate to go

A PRISIÓN PERPETUA

El tiempo pasa

envejeciendo todo
 como el sol acaba
 por secar las plantas
 como el viento en forma
 de huracán destruye
 así tu acabaste
 con todita mi alma
 Pero yo te quiero
 te quiero hasta el alma
 que le importa al mundo
 que seas buena o mala
 y aquel que no sepa
 lo que es un cariño
 me da mucha pena
 me da mucha lastima
 Como inmensa roca
 que rodea los mares
 y a prision perpetua
 detiene sus aguas
 como quiera ella
 así era mi alma
 pero tu llegaste
 y ante ti soñaba
 Pero yo te quiero
 te quiero hasta el alma
 que le importa al mundo
 que seas buena o mala
 y aquel que no sepa
 lo que es un cariño
 me da mucha pena
 me da mucha lastima

PASIONAL

No sabrás... nunca sabrás
 lo que es morir mil veces de ansiedad.
 No podrás... nunca entender
 lo que es amar y enloquecer.
 Tus labios que queman... tus besos
 que embriagan
 y que torturan mi razón.
 Sed... que me hace arder
 y que me enciende el pecho de pasión.
 Estás clavada en mí... te siento en el latir
 abrasador de mis sienes.
 Te adoro cuando estás... y te amo
 mucho más
 cuando estás lejos de mí.
 Así te quiero dulce vida de mi vida.
 Así te siento... solo mía... siempre mía.
 Tengo miedo de perderte...
 de pensar que no he de verte.
 ¿Por qué esa duda brutal?
 ¿Por qué me habré de sangrar
 si en cada beso te siento desmayar?
 Sin embargo me atormento
 porque en la sangre te llevo.
 Y en cada instante... febril y amante
 quiero tus labios besar.
 ¿Qué tendrás en tu mirar

que cuando a mí tus ojos levantás
siento arder en mi interior
una voraz llama de amor?
Tus manos desatan... caricias que me
atan
a tus encantos de mujer.
Sé que nunca más
podré arrancar del pecho este querer.
Te quiero siempre así... estás clavada
en mí
como una daga en la carne.
Y ardiente y pasional... temblando de
ansiedad
quiero en tus brazos morir.

ANCLAO EN PARÍS

Tirao por la vida de errante bohemio
estoy, Buenos Aires, anclao en París.
Cubierto de males, bandeado de
apremio,
te evoco desde este lejano país.
Contemplo la nieve que cae
blandamente
desde mi ventana, que da al bulevar
las luces rojizas, con tono muriente,
parecen pupilas de extraño mirar.
Lejano Buenos Aires ¡qué lindo que
has de estar!
Ya van para diez años que me viste
zarpar...
Aquí, en este Montmartre, fobourg
sentimental,
yo siento que el recuerdo me clava su
puñal.
¡Cómo habrá cambiado tu calle
Corrientes..!
¡Suipacha, Esmeralda, tu mismo
arabal..!
Alguien me ha contado que estás
florecente
y un juego de calles se da en
diagonal...
¡No sabes las ganas que tengo de
verte!
Aquí estoy varado, sin plata y sin fe...
¡Quién sabe una noche me encane la
muerte
y, chau Buenos Aires, no te vuelva a
ver!

MELODÍA DE ARRABAL

Barrio plateado por la luna,
rumores de milonga
es toda su fortuna.
Hay un fueye que rezonga
en la cortada mistonga,
mientras que una pebeta,
linda como una flor,
espera coqueta
bajo la quieta
luz de un farol.

Barrio... barrio..
que tenés el alma inquieta
de un gorrión sentimental.
Penas...ruego...
¡esto todo el barrio malevo
melodía de arrabal!
Barrio... barrio...
perdoná si al evocarte
se me pinta un lagrimón,
que al rodar en tu empedrao
es un beso prolongao
que te da mi corazón.

Cuna de tauras y cantores,
de broncas y entreveros,
de todos mis amores.
En tus muros con mi acero
yo grabé nombres que quiero.
Rosa, "la milonguita",
era rubia Margot,
en la primer cita,
la paica Rita
me dio su amor.

CHE BANDONEÓN

El duende de tu son, che bandoneón,
se apiada del dolor de los demás,
y al estrujar tu fueye dormilón
se arrima al corazón que sufre más.
Estercita y Mimi como Ninón,
dejando sus destinos de percal
vistieron al final mortajas de rayón,
al eco funeral de tu canción.
Bandoneón,
hoy es noche de fandango
y puedo confesarte la verdad,
copa a copa, pena a pena, tango a tango,
embalado en la locura
del alcohol y la amargura.
Bandoneón,
para qué nombrarla tanto,
no ves que está de olvido el corazón
y ella vuelve noche a noche como un canto
en las gotas de tu llanto,
¡che bandoneón!

Tu canto es el amor que no se dio
y el cielo que soñamos una vez,
y el fraternal amigo que se hundió
cinchando en la tormenta de un querer.
Y esas ganas tremendas de llorar
que a veces nos inundan sin razón,
y el trago de licor que obliga a recordar
si el alma está en "orsai", che bandoneón.

QUE FALTA QUE ME HACÉS

¡No estás!
Te busco y ya no estás.
Espina de la espera
que lastima
más y más...
Gritar
tu nombre enamorado.

Desear
tus labios despintados,
como luego de besarlos...
¡No estás!
Te busco y ya no estás.
¡Qué largas son las horas
ahora que no estás!...

Qué ganas de encontrarte
después de tantas noches.
Qué ganas de abrazarte,
¡qué falta que me haces!...
Si vieras que ternura
que tengo para darte,
capaz de hacer un mundo
y dártelo después.
Y entonces, si te encuentro,
seremos nuevamente,
desesperadamente,
los dos para los dos.

HOW DEEP IS YOUR LOVE

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far
from me
I wanna feel you in my arms again

And you come to me on a summer
breeze
Keep me warm in your love and then
softly leave
And it's me you need to show

Chorus:
How deep is your love
I really need to learn
Cause were living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest darkest
hour
You're my saviour when I fall
And you may not think
I care for you
When you know down inside
That I really do
And it's me you need to show

Chorus
Repeat and fade

SWEPT AWAY

I never had anything happen so fast
Took one look and I shattered like
glass
I guess I let it show
'Cause your smile told me you knew

That you're everything I ever wanted
at once
There's no holding this heart
When it knows what it wants
And I never wanted anything more
than to know you

I was swept away
No one in the world but you and I
Gotta find a way
To make you feel the way that I do

I was swept away
Without a warning
Like night when the morning begins
the day
I was swept away

And so it begins
This journey of love
The summer wind carries us to places
all our own

The words of a look

The language of touch
The way that you want me means so
much
And I never wanted anything more
Than to love you

I am swept away
No one in the world but you and I
Gotta find a way
To make you feel the way that I do

I am swept away
Without a warning
Like night when the morning begins
the day
I was swept away

Away, seeing my tomorrow's in your
eyes
I was swept away

Oo, I hope I wake up soon
Oo, I'm a victim of that crazy moon

The very first time you said my name
I knew it would never sound the same
Something about me has changed
forever

Can't you see I am swept away
No one in the world but you and I
Gotta find a way
To make you feel the way that I do

I am swept away
Without a warning
Like night when the morning begins
the day
I was swept away

Away, seeing my tomorrow's in your
eyes
Gotta find a way
To make you feel the way that I do
I was swept away

Without a warning
Like night when the morning begins
the day
I was swept away
We were swept away

Dreaming of you
Swept away

SAIL AWAY SWEET SISTER

Hey little babe you're changing
Babe are you feeling sore?
It ain't no use in pretending
You don't wanna play no more

It's plain that you ain't no baby
What would your mother say?
You're all dressed up like a lady
How come you behave this way?

Sail away sweet sister
Sail across the sea
Maybe you'll find somebody
To love you half as much as me
My heart is always with you
No matter what you do
Sail away sweet sister
I'll always be in love with you

Forgive me for what I told you
My heart makes a fool of me
You know that I'll never hold you
I know that you gotta be free

Sail away sweet sister
Sail across the sea
Maybe you'll find somebody
To love you half as much as me
Take it the way you want it
But when they let you down my friend
Sail away sweet sister
Back to my arms again

Hot child don't you know you're young
You got your whole life ahead of you?
And you can throw it away too soon
Way too soon

Sail away sweet sister
Sail across the sea
Maybe you'll find somebody's
Gonna love you half as much as me
My heart is always with you
No matter what you do
Sail away sweet sister
I'll always be in love with you

BOCA

Boca que arrastra mi boca.
Boca que me has arrastrado:
boca que vienes de lejos
a iluminarme de rayos.

Alba que das a mis noches
un resplandor rojo y blanco.
Boca poblada de bocas:
pájaro lleno de pájaros.

Canción que vuelve las alas
hacia arriba y hacia abajo.
Muerte reducida a besos,
a sed de morir despacio,
das a la grama sangrante
dos tremendos aletazos.

El labio de arriba, el cielo
y la tierra el otro labio.

Beso que rueda en la sombra:
beso que viene rodando
desde el primer cementerio
hasta los últimos astros.

Beso que va a un porvenir
de muchachas y muchachos,
que no dejarán desiertos
ni las calles, ni los campos.

¡Cuánta boca ya enterrada,
sin boca, desenterramos!

Bebo en tu boca por ellos,
brindo en tu boca por tantos
que cayeron sobre el vino
de los amorosos vasos.
Hoy son recuerdos, recuerdos,
besos distantes y amargos.

Boca que desenterraste
el amanecer más claro
con tu lengua. Tres palabras,
tres fuegos has heredado:
vida, muerte, amor. Ahí quedan
escritas sobre tus labios.

GIVE A LITTLE BIT

Give a little bit
Give a little bit of your love to me
Give a little bit
I'll give a little bit of my love to you
There's so much that we need to
share
So send a smile and show you care

I'll give a little bit
I'll give a little bit of my life for you
So give a little bit
Give a little bit of your time to me
See the man with the lonely eyes
Take his hand, you'll be surprised

Give a little bit
Give a little bit of your love to me
I'll give a little bit
I'll give a little bit of my life for you
Now's the time that we need to share
So find yourself, we're on our way
back home

Going home
Don't you, don't you need to feel at
home?
Oh yeah, we gotta sing

WHILE MY GUITAR GENTLY WEEPS

I look at you all see the love there
that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs
sweeping

Still my guitar gently weeps.

I don't know why nobody told you
How to unfold your love
I don't know how someone controlled
you
They bought and sold you.

I look at the world and I notice it's
turning
While my guitar gently weeps
With every mistake we must surely be
learning
Still my guitar gently weeps.

I don't know how you were diverted
You were perverted too
I don't know how you were inverted
No one alerted you.

I look at you all see the love there
that's sleeping
While my guitar gently weeps
Look at you all...
Still my guitar gently weeps.

IN A LITTLE WHILE

In a little while
Surely you'll be mine
In a little while... I'll be there
In a little while
This hurt will hurt no more
I'll be home, love

When the night takes a deep breath
And the daylight has no air
If I crawl, if I come crawling home
Will you be there?

In a little while
I won't be blown by every breeze
Friday night running to Sunday on my
knees
That girl, that girl she's mine
Well I've know her since,
Since she was

A little girl with Spanish eyes
When I saw her first in a pram they
pushed her by
Oh my, my how you've grown
Well it's been, it's been...a little while

ooh ooh ooh ooh ooh ooh

Slow down my beating heart
A man dreams one day to fly
A man takes a rocket ship into the
skies
He lives on a star that's dying in the
night
And follows in the trail, the scatter of
light

Turn it on, turn it on, you turn me on

Slow down my beating heart
Slowly, slowly love
Slow down my beating heart
Slowly, slowly love
Slow down my beating heart
Slowly, slowly love

KITE

Something is about to give
I can feel it coming
I think I know what it is
I'm not afraid to die
I'm not afraid to live
And when I'm flat on my back
I hope to feel like I did
'Cause hardness, it sets in
You need some protection
The thinner the skin
I want you to know
That you don't need me anymore
I want you to know
You don't need anyone, anything at all
Who's to say where the wind will take you
Who's to know what it is will break you
I don't know which way the wind will blow
Who's to know when the time has come around
Don't wanna see you cry
I know that this is not goodbye
In summer I can taste the salt in the sea
There's a kite blowing out of control on a breeze
I wonder what's gonna happen to you
You wonder what has happened to me
I'm a man, I'm not a child
A man who sees
The shadow behind your eyes
Who's to say where the wind will take you
Who's to know what it is will break you
I don't know where the wind will blow
Who's to know when the time has come around
I don't wanna see you cry
I know that this is not goodbye
Did I waste it?
Not so much I couldn't taste it
Life should be fragrant
Roof top to the basement
The last of the rock stars
When hip hop drove the big cars
In the time when new media
Was the big idea
That was the big idea

BARQUITO DE PAPEL

Barquito de papel,
sin nombre, sin patrón
y sin bandera,
navegando sin timón
donde la corriente quiera.

Aventurero audaz,
jinete de papel
cuadriculado,
que mi mano sin pasado
sentó a lomos de un canal.

Cuando el canal era un río,
cuando el estanque era el mar,
y navegar
era jugar con el viento.
Era una sonrisa a tiempo,
fugándose feliz
de país en país,
entre la escuela y mi casa.
Después el tiempo pasa
y te olvidas de aquel
barquito de papel.

Barquito de papel,
en qué extraño arenal
habrán varado
tu sonrisa y mi pasado,
vestidos de colegial.

Cuando el canal era un río,
cuando el estanque era el mar,
y navegar
era jugar con el viento.
Era una sonrisa a tiempo.

TRISTE Y VACIA

Ella va triste y vacia
llorando una traicion con amargura
por aquel que le decia
que era su amor y su locura
Ya la vida le ha enseñado demasiado
cometer el mismo error no le interesa
los amores que a tenido le fallaron
y dejaron en el aire las promesas
y dejaron en el aire las promesas..

Ella va triste y vacia
llorando una traicion con amargura
por aquel que le decia
que era su amor y su locura
va tratando de lograr lo que ha
soñado
aprovecha la experiencia de la vida
va olvidando sufrimientos del pasado
la calumnia y la mentira la castigan
la calumnia y la mentira la castigan..

Ella va triste y vacia
llorando una traicion con amargura
por aquel que le decia

que era su amor y su locura
por aquel que le decia
que era su amor y su locura
pero en todo este pasaje de la vida
ha sabido mantenerse con decencia
aunque muchos habladores la
confundan
aunque muchos traten de inventar
con ella
aunque muchos traten de inventar
con ella

Ella va triste y vacia
llorando una traicion con amargura
por aquel que le decia
que era su amor y su locura
que era su amor y su locura

coro:ella va triste y vacia
En su rostro se comprenden
los fracasos de la vida

coro:ella va triste.....
la calumnia y la mentira
y el desamor la castigan

coro:ella va.....
fue que todo el mundo le fallo
y ella no lo merecia

coro: ella va
por fracasos de la vida..

Asi es que muere un amor
hay que nadie comprendia
la promesa le fallaron
los errores de sofia
coro:ella va
a donde ira la pobre
niña triste y desolada
pero que cosa le harian
coro:ella va.....
caminaba tan orgullosa
y de su dolor nadie sabia
coro:ella va.....
mirala que linda viene
mirala que linda va
a donde se esconderia
coro:ella va.....
yo la vi llorando yo la vi

FOR NO ONE

Your day breaks, your mind aches
You find that all her words of kindness
linger on
When she no longer needs you

She wakes up, she makes up
She takes her time and doesn't feel
she has to hurry
She no longer needs you

And in her eyes you see nothing

No sign of love behind her tears
Cried for no one
A love that should have lasted years

You want her, you need her
And yet you don't believe her when
she says her love is dead
You think she needs you

And in her eyes you see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted years

You stay home, she goes out
She says that long ago she knew
someone but now he's gone
She doesn't need him

Your day breaks, your mind aches
There will be times when all the things
she said will fill your head
You won't forget her

And in her eyes you see nothing
No sign of love behind her tears
Cried for no one
A love that should have lasted years

IN MY LIFE

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends I still can
recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their
meaning
When I think of love as something
new
Though I know I'll never lose affection
For people and things that went
before
I know I'll often stop and think about
them
In my life I love you more

Though I know I'll never lose affection
For people and things that went
before
I know I'll often stop and think about
them
In my life I love you more
In my life I love you more

THEY CAN'T TAKE THAT AWAY FROM ME

Our romance won't end on a sorrowful
note,
Though by tomorrow you're gone;
The song is ended, but as the
songwriter wrote,
The melody lingers on.
They may take you from me, I'll miss
your fond caress.
But though they take you from me, I'll
still possess.

The way you wear your hat
The way your sip your tea
The memory of all that
No, no, they can't take that away from
me

The way your smile just beams
The way you sing off key
The way you haunt my dreams
No, no, they can't take that away from
me

We may never, never meet again
On the bumpy road to love
Still, I'll always, always keep the
memory of

The way you hold your knife
The way we danced till three
The way you changed my life
No, no, they can't take that away from
me
No, they can't take that away from me

We may never, never meet again
On the bumpy road to love
Still, I'll always, always keep the
memory of

The way you hold your knife
The way we danced till three
The way you changed my life
No, no, they can't take that away from
me
No, they can't take that away from me
Can't take that away
Can't take that away from me

THE WAY IT IS

Standing in line marking time
Waiting for the welfare dime
'Cause they can't buy a job
The man in the silk suit hurries by
As he catches the poor ladies' eyes
Just for fun he says, "Get a job"

That's just the way it is
Some things will never change
That's just the way it is
Ah but don't you believe them

Said, hey little boy you can't go where
the others go
'Cause you don't look like they do
Said, hey old man how can you stand
To think that way, did you really think
about it
Before you made the rules?

He said, "Son, that's just the way it is
Some things will never change
That's just the way it is
Ah but don't you believe them"

That's just the way it is
That's just the way it is

Well they passed a law in '64
To give those who ain't got a little
more
But it only goes so far
Because the law don't change
another's mind
When all it sees at the hiring time
Is the line on the color bar, no, no, no

That's just the way it is
Some things will never change
That's just the way it is
That's just the way it is, it is, it is, it is

HERE, THERE AND EVERYWHERE

To lead a better life I need my love
to be here...

Here, making each day of the year
Changing my life with the wave of
her hand
Nobody can deny that there's
something there

There, running my hands through
her hair
Both of us thinking how good it
can be
Someone is speaking but she
doesn't know he's there

I want her everywhere and if she's
beside me
I know I need never care
But to love her is to need her
everywhere
Knowing that love is to share

Each one believing that love never
dies
Watching her eyes and hoping I'm
always there

I want her everywhere and if she's
beside me
I know I need never care
But to love her is to need her
everywhere
Knowing that love is to share

Each one believing that love never
dies
Watching her eyes and hoping I'm
always there

I will be there and everywhere
Here, there and everywhere

MICHELLE

Michelle, my belle.
These are words that go together
well,
My Michelle.

Michelle, my belle.
Sont des mots qui vont très bien
ensemble,
Très bien ensemble.

I love you, I love you, I love you.
That's all I want to say.
Until I find a way
I will say the only words I know that
You'll understand.

Michelle, my belle.
Sont des mots qui vont très bien
ensemble,
Très bien ensemble.

I need to, I need to, I need to.
I need to make you see,
Oh, what you mean to me.
Until I do I'm hoping you will
Know what I mean.

I love you...

I want you, I want you, I want you.
I think you know by now
I'll get to you somehow.
Until I do I'm telling you so
You'll understand.

Michelle, my belle.
Sont des mots qui vont très bien
ensemble,
Très bien ensemble.

I will say the only words I know that
You'll understand, my Michelle.

LET IT BE

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is
standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people
living in the world agree
There will be an answer, let it be
For though they may be parted, there
is still a chance that they will see
There will be an answer, let it be
Let it be, let it be, let it be, yeah let it
be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Yeah let it be, let it be, let it be, let it
be
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be

And when the night is cloudy there is
still a light that shines on me
Shine until tomorrow, let it be
I wake up to the sound of music,
Mother Mary comes to me
There will be no sorrow, let it be eeee
Let it be, let it be, let it be, yeah, let it
be
There will be no sorrow, let it be
Let it be, let it be, yeah let it be, yeah,
let it be
Whisper words of wisdom, let it be

YESTERDAY

Yesterday, all my troubles seemed so
far away
Now it looks as though they're here to
stay
Oh, I believe in yesterday

Suddenly I'm not half the man I used
to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday love was such an easy
game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go?

I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday love was such an easy
game to play
Now I need a place to hide away
Oh, I believe in yesterday

OH MY LOVE

Oh my love for the first time in
my life
My eyes are wide open
Oh my love for the first time in
my life
My eyes can see

I see the wind
Oh, I see the trees
Everything is clear in my heart
I see the clouds
Oh, I see the sky
Everything is clear in our world

Oh my love for the first time in
my life
My mind is wide open
Oh my lover for the first time in
my life
My mind can feel

I feel the sorrow
Oh, I feel dreams
Everything is clear in my heart
I feel life
Oh, I feel love
Everything is clear in our world

WOMAN

Woman, I can hardly express
My mixed emotions and my
thoughtlessness
After all, I'm forever in your debt
And woman, I will try to express my
inner feelings and thankfulness
For showing me the meaning of
success

Ooh, well, doo doo doo doo doo.
Ooh, well, well, doo doo doo doo doo

Woman, I know you understand the
little child inside a man
Please remember, my life is in your
hands, and woman
Hold me close to your heart, however
distant don't keep us apart
After all it is written in the stars

Ooh, well

Woman, please let me explain

I never meant to cause you sorrow or pain
 So let me tell you again and again
 and again
 I love you, yeah, yeah, yeah, now and forever
 I love you, yeah, yeah, yeah, now and forever

AFRICA

I hear the drums echoing tonight
 But she hears only whispers of some quiet conversation
 She's coming in 12:30 flight
 The moonlit wings reflect the stars that guide me towards salvation
 I stopped an old man along the way,
 Hoping to find some old forgotten words or ancient melodies
 He turned to me as if to say, Hurry boy, It's waiting there for you

CHORUS:

It's gonna take a lot to take me away from you
 There's nothing that a hundred men or more could ever do
 I bless the rains down in Africa
 Gonna take some time to do the things we never have

The wild dogs cry out in the night
 As they grow restless longing for some solitary company
 I know that I must do what's right
 As sure as Kilimanjaro rises like Olympus above the Serengeti
 I seek to cure what's deep inside,
 frightened of this thing that I've become

CHORUS

(Instrumental break)

Hurry boy, she's waiting there for you

It's gonna take a lot to take me away from you
 There's nothing that a hundred men or more could ever do
 I bless the rains down in Africa, I bless the rains down in Africa
 I bless the rains down in Africa, I bless the rains down in Africa
 I bless the rains down in Africa
 Gonna take some time to do the things we never have

I WON'T HOLD YOU BACK

If I had another chance tonight
 I'd try to tell you that the things we had were right

Time can erase the love we shared
 But it gives me time to realize just how much you cared
 Now you're gone, I'm really not the same, I guess I held myself to blame
 Time can erase the things we said
 But it gives me time to realize that you're the one who's sad

Chorus:

You know I won't hold you back now,
 the love we had just can't be found
 You know I can't hold you back now

Now that I'm alone it gives me time to think about the years that you were mine
 Time can erase the love we shared
 But it gives me time to realize just how much you cared

Chorus

(Instrumental break)

You know I won't hold you back now,
 the love we had just can't be found

You know I can't hold you back now,
 the love we had just can't be found

SAVE ME

It started off so well
 They said we made a perfect pair
 I clothed myself in your glory and your love
 How I loved you
 How I cried
 The years of care and loyalty
 Were nothing but a sham it seems
 The years belie we lived the lie
 "I love you 'til I die"

Save me, save me, save me
 I can't face this life alone
 Save me, save me, save me
 I'm naked and I'm far from home

The slate will soon be clean
 I'll erase the memories
 To start again with somebody new
 Was it all wasted
 All that love?
 I hang my head and I advertise
 A soul for sale or rent
 I have no heart, I'm cold inside
 I have no real intent

Save me, save me, save me
 I can't face this life alone
 Save me, save me

Oh I'm naked and I'm far from home

Each night I cry and still believe the lie
 I love you 'til I die

(Save me, save me, save me)

Yea, yeah

Save me yeah save me oh save me

Don't let me face my life alone

Save me, save me

Oh I'm naked and I'm far from home

AQUELLAS PEQUEÑAS COSAS

Uno se cree
 que las mató
 el tiempo y la ausencia.
 Pero su tren
 vendió boleto
 de ida y vuelta.

Son aquellas pequeñas cosas,
 que nos dejó un tiempo de rosas
 en un rincón,
 en un papel
 o en un cajón.

Como un ladrón
 te acechan detrás
 de la puerta.
 Te tienen tan
 a su merced
 como hojas muertas

que el viento arrastra allá o aquí,
 que te sonríen tristes y
 nos hacen que
 lloremos cuando
 nadie nos ve.

BARQUITO DE PAPEL

Barquito de papel,
 sin nombre, sin patrón
 y sin bandera,
 navegando sin timón
 donde la corriente quiera.

Aventurero audaz,
 jinete de papel
 cuadriculado,
 que mi mano sin pasado
 sentó a lomos de un canal.

Cuando el canal era un río,
 cuando el estanque era el mar,
 y navegar
 era jugar con el viento.
 Era una sonrisa a tiempo,
 fugándose feliz
 de país en país,
 entre la escuela y mi casa.
 Después el tiempo pasa
 y te olvidas de aquel
 barquito de papel.

Barquito de papel,
en qué extraño arenal
habrán varado
tu sonrisa y mi pasado,
vestidos de colegial.

Cuando el canal era un río,
cuando el estanque era el mar,
y navegar
era jugar con el viento.
Era una sonrisa a tiempo.

RUNNING TO A STAND STILL

And so she woke up
Woke up from where she was
Lying still
Said I gotta do something
About where we're going

Step on a steam train
Step out of the driving rain, maybe
Run from the darkness in the night
Singing ha, ah la la la de day
Ah la la la de day
Ah la la de day

Sweet the sin
Bitter taste in my mouth
I see seven towers
But I only see one way out

You got to cry without weeping
Talk without speaking
Scream without raising your voice

You know I took the poison
From the poison stream
Then I floated out of here
Singing...ha la la la de day
Ha la la la de day
Ha la la de day

She runs through the streets
With her eyes painted red
Under black belly of cloud in the rain
In through a doorway she brings me
White gold and pearls stolen from the
sea
She is raging
She is raging
And the storm blows up in her eyes
She will...

Suffer the needle chill
She's running to stand...

Still.

STAY

Green light, Seven Eleven
You stop in for a pack of cigarettes
You don't smoke, don't even want to
Hey now, check your change
Dressed up like a car crash
Your wheels are turning but you're
upside down
You say when he hits you, you don't
mind
Because when he hurts you, you feel
alive
Hey babe, is that what it is

Red lights, gray morning
You stumble out of a hole in the
ground
A vampire or a victim
It depends on who's around
You used to stay in to watch the
adverts
You could lip sync to the talk shows

And if you look, you look through me
And when you talk, you talk at me
And when I touch you, you don't feel a
thing

If I could stay
Then the night would give you up
Stay and the day would keep its trust
Stay and the night would be enough

Faraway, so close
Up with the static and the radio
With satellite television
You can go anywhere
Miami, New Orleans
London, Belfast and Berlin

And if you listen I can't call
And if you jump, you just might fall
And if you shout, I'll only hear you

If I could stay
Then the night would give you up
Stay then the day would keep its trust
Stay with the demons you drowned
Stay with the spirit I found
Stay and the night would be enough

Three o'clock in the morning
It's quiet and there's no one around
Just the bang and the clatter
As an angel runs to ground

Just the bang
And the clatter
As an angel
Hits the ground

THE PLAYBOY MANSION

If Coke is a mystery
Michael Jackson... history
If beauty is truth
And surgery the fountain of youth
What am I to do
Have I got the gift to get me through
The gates of that mansion

If OJ is more than a drink
And a Big Mac bigger than you think
If perfume is an obsession
And talk shows, confession
What have we got to lose
Another push and we'll be through
The gates of that mansion

I never bought a Lotto ticket
I never parked in anyone's space
The banks feel like cathedrals
I guess casinos took their place
Love, come on down
Don't wake her, she'll come around

Chance is a kind of religion
Where you're damned for plain hard
luck
I never did see that movie
I never did read that book
But love, come on down
And let my numbers come around

Don't know if I can hold on
Don't know if I'm that strong
Don't know if I can wait that long
'Til the colours come flashing
And the lights go on

Then will there be no time for sorrow
Then will there be no time for shame
And though I can't say why
I know I've got to believe

We'll go driving in that pool
It's who you know that gets you
through
The gates of the Playboy mansion
But they don't mention... the pain to
reach

Then will there be no time for sorrow
Then will there be no time for shame
Then will there be no time for sorrow
